

FRAUDSNIFFR

Catch Our Presentations at 3 Upcoming Events

Curt De Vries - Featured Speaker

Over the Summer, Fraud Sniffr will be a presenter and panelist at three industry events.

In his talks, Curt will discuss the complexity of social media surveillance and how it needs to be handled carefully in order to preserve its integrity, value and validity in court.

He will also discuss our Observr Software and its role in simplifying the gathering and usage of social media data in the claims process.
